

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Although it was made clear in the news stories on the subject, it should probably be pointed out that the court battle involving the Stamford Hospital District can have no effect on Hamlin's Hospital District.

Stamford lost the first round of their legal battle with the residents in the Southern part of their district. It is likely that the issue will go all the way to the State Supreme Court before it is settled.

But this is an issue of whether it is constitutional to expand the boundaries of a hospital district and does not effect Hamlin. Our district was created by the legislature and approved by the voters and therefore is just as legal as any other hospital district within the state.

Several directors of the Hamlin Board of Community Development met with Homer Tucker of the Texas Rural Industrial Development Commission this past week. And about the most notable thing learned at the meeting was that there are a great many organizations and groups just waiting to help communities to gain more industry, but most of this help is going and will continue to go to the communities that are trying to help themselves.

There are a number of organizations that want to see industry develop in the rural areas, in West Texas, in the Big Country or just in Texas but all of them want to help those communities that make it easiest for them.

The communities that are getting new industry are the communities that have Industrial Foundations, have active industrial teams and above all have some people who are interested enough to devote some time to this job of securing new industry.

When some regional organization or firm gets an industrial prospect why should they bother with a community that has none of this when there are a great many communities actively seeking industry and have the money and manpower needed to take care of the prospective industry.

Hopefully within the next few weeks efforts will get underway to form an Industrial Foundation here in Hamlin. This is apparently the first step in any organized effort to secure new industry.

And hopefully out of this step will come some people interested enough in the project to spend a day in Austin with the Texas Industrial Commission in learning just how to get the balance of the project underway.

As we pointed out in the beginning, there are many groups just waiting for us to call on them for help but we must take the first step. No one is going to come in here and do the work for us. As with most things worthwhile, it takes some effort to make things happen.

Next week is Safe Boating Week in Texas and if you spend very much time around Texas lakes you know that every effort needs to be made to get Texans to try a little harder to make boating safer.

In 1973 there were 74 boating deaths in Texas and it is surprising that there were not more when you watch some people operate their boat.

The Texas Safety Association points out that at least half of the recreational drowning victims in the United States last year never intended going into the water in the first place. Either they were involved in a boat sinking or they slipped, tripped or fell into the water. Most of these "surprise victims" were not wearing a

MAKING PREPARATIONS FOR CRUSADE—Plans for the July 7-11 City-wide Crusade began to take shape at a meeting of the steering committee last Wednesday morning. Here, from left, are Lynn Mink, in charge of publicity; the Rev. Jim Smith, new minister of First United Methodist Church; the Rev. Howard Jones, First Baptist Church pastor, and general Crusade Chairman; and Edgar Duncan, finance chairman. These men and others of the committee met at a breakfast meeting at Hamlin Restaurant.

Workers Complete Plans For City-Wide Crusade

Workers from the participating churches sponsoring the City-wide Crusade are completing plans for the July 7-11 event to be staged in the Pied Piper Football Stadium.

David Stockwell, one of the outstanding young Christian leaders in America, will be the evangelist. He is a former Rice University football player and was president of the Fellowship of Christian Athletes while at Rice. He was a three-year letterman as an offensive guard for the Owls.

The Rev. Howard Jones, pastor of First Baptist Church and general Crusade chairman, said, "Recently David led a two-day rally in Baton Rouge where over 1250 people accepted Christ in the Coliseum where L.S.U. plays basketball. At First Church, Nederland, Texas, 398 made confessions of faith one night, as 609 accepted Christ in a five-day Crusade."

"In a four-day crusade in Texarkana, 721 accepted Christ," he added. "He is called one of the most revolutionary speakers in America. It is certainly a great opportunity for Hamlin to have the chance to work with and hear David Stockwell."

Churches cooperating in the Crusade are First United Methodist, Assembly of God, First Baptist, Mexican Mission of FBC, Central

Baptist, Calvary Baptist, Oak Grove Baptist, Church of the Nazarene, Foursquare Gospel and Holy Trinity Catholic.

Assisting Rev. Jones with responsibilities are the following committee chairmen: Edgar Duncan, finance; Donald Young, treasurer; Lynn Mink, publicity; Rev. Marshall Stewart, church enlistment; Reba Jackson, music; Mr. and Mrs. L. J. Cunningham, entertainment; Mrs. Buster Grigg, telephone; Richard

Young, stadium arrangements; Rev. Buster Grigg, prayer lift committee; Jimmie Spalding and Gary Cooper, parking; Ed Lewis and Ernest Jenkins, ushers; Miss Mary Esco, decorations; Rev. Carl Amburn and Rev. Grigg, counselors; and Mr. and Mrs. Delton Jackson, youth.

Other members of the steering committee are Father Stephen White, Rev. Jim Smith, Rev. Walter Hickman, Rev. Claud Fry and Rev. Leo Scott.

Area Toll-Free Dialing To Start Here Monday

The long-awaited toll-free calling arrangements between Hamlin, Anson and Stamford will become a reality July 1.

Southwestern Bell has completed installation of equipment necessary for the Extended Area Service (EAS) between the three cities and is making final tests to assure good operation of the system.

"Southwestern Bell is pleased to be able to complete this arrangement for the convenience of telephone customers in Hamlin, Stamford and Anson," said Bud McCasland, manager for

Southwestern Bell.

Planning and preparation for the EAS arrangement began about two years ago after city officials in all three towns gave approval to the system, which will entail increased monthly telephone rates.

Southwestern Bell has buried cable between the three towns, and has installed and modified switching equipment in each city, at a cost of several thousand dollars.

EAS will make available about 5100 telephone numbers on a toll-free basis to residents of the three cities. There are approximately 2200 working telephone numbers in Stamford, and about 1450 each in Hamlin and Anson.

In each town, customers must dial all seven digits of the telephone they are calling in order to assure completion of the call.

A joint Hamlin-Anson-Stamford directory is being delivered.

There are 35 pages of alphabetical listings in the directory.

The new monthly rates for telephone service will be the same in each city. The rates are effective with initiation of the system on July 1.

One party business line, \$14.50 monthly; one party residence line, \$6.50 monthly; two party residence line, \$5.15 monthly; business extension, \$1.50 monthly; residence extension, \$1 monthly.

Because the rate change will be effective in the midst of a billing period, the first bill received after July 1 will reflect pro rata rates based on length of service under old rates prior to July 1 and the new rates effective with EAS on that date.

Coach Bonds Rejects Kerrville Job Offer

David Bonds, Hamlin High School Athletic Director for the past two years, said Wednesday afternoon that he had turned down the Head Coaching position at Class AAA Kerrville. The Kerrville School Board had offered the head job to Coach Bonds at

their meeting Monday evening.

Coach Bonds was in Kerrville Tuesday to meet with the coaching staff and it was not learned until he returned here after noon Wednesday that he had

decided not to take the position.

The Kerrville School Board Monday had picked Bonds to succeed Bill Farrington, who resigned the head coach job to take an administrative post.

Coach Bonds, a Hamlin High School graduate, returned to Hamlin in 1972 to lead the Pied Pipers to two consecutive District 6-AA championships, going as far as the Regional playoffs this past season where they lost to Alpine.

Bonds was a two-year letterman in football and a four-year letterman in track at McMurry College. He was signed by pro football's Washington Redskins in 1965 and was later picked up by the Kansas City Chiefs. He played for the Chiefs two years.

Bonds had several assistant coaching jobs in Texas before taking his first head job here in Hamlin with the Pipers. He moved here from Alice.

Foursquare Church Sets Crusade Here

A Children's Crusade featuring Miss Betty will be held June 30-July 5 at Foursquare Gospel Church. The programs are scheduled from 7 to 8:30 p.m. each day.

Planned for the crusade are quizzes, storytime, Astro-Boy and Astro-Girl, Kenny the Puppet, Penny March, music, filmstrips, prizes, treasure chest and a three-foot chocolate candy bar.

All children are invited says the pastor, the Rev. Claud Fry.

Carport Sale to Benefit Mentally Retarded Camp

A carport sale at 515 West Lake Drive opens at 8 a.m. today and will continue Friday and Saturday to raise funds for Camp Roadrunner, a residential summer camp for mentally retarded for a 3-county area.

The sale is at the home of Mrs. C. L. Howard, who will also be a camp counselor. Her daughter, Mrs. Jaylon Fincannon of Austin, will be the camp director.

The Roadrunner campsite will be the Butman Methodist Church Encampment, 30 miles southwest of Abilene and 15 miles south of Merkel. Mentally retarded persons ages 12 years and over, of any race may attend.

The parents or guardians of the children are requested to provide the camp fee of \$50 per child. However, it is hoped that no child is refused admission because of the inability to pay the fee. Civic groups and other organizations are urged to sponsor a child or children who might need assistance.

For the past several years a garage sale has been staged in Abilene to benefit the camp but this year the Abilene group decided to hold a bake sale instead. Abilene members are providing some merchandise for the sale

here, Mrs. Howard noted.

Anyone who would like to donate merchandise for sale or give cash donations may do so. Residents are reminded to watch for new merchandise as more is expected to be added each day.

Camp Roadrunner will be held July 13-20. Campers will arrive before noon on Saturday, July 13, and will leave for home before noon on July 20.

A registered nurse will be on duty at all times and there will be at least one staff member for each five campers.

The program is designed to offer each camper an opportunity to develop natural talents and skills. A complete program of camping and outdoor exploration will be managed by a specially trained staff and counselors. The program will include arts and crafts, games, sports, campcraft, field trips, hikes, swimming, story telling and music. The campers will share the pleasures and responsibilities of camp life and will discover the value of good friendships with persons their own age.

Parents interested in having their child attend should contact Mrs. Howard.

CLERK OF THE MONTH—Bettye Lawlis, right, named Clerk of the Month by the special committee of the Retail Trade Development Committee of the Hamlin Board of Community Development, assists Mrs. Robert Cary, in making a selection of cosmetics at Mar-Jo's Merle Norman Studio.

CARPORT SALE FOR RETARDED—Shown making preparations for the three-day carport sale to raise funds for the Roadrunner Camp for the retarded are, from left, Mrs. C. B. Brown, Mrs. Ed Wheat, Mrs. C. L. Howard, and Mrs. Jaylon Fincannon of Austin. The carport sale opens today (Thursday) at 8 a.m. at the Howard home, 515 West Lake Drive, and will continue through Saturday.

Bridge Party Here Honors Miss Reynolds

A bridge party honoring Carolyn Reynolds, bride-elect of Pat Batchelor of Corsicana, was given Friday, June 14, in the home of Mrs. Irby Weaver. Assisting as hostesses were Mrs. Laguna Hill, and Mrs. O. H. Weaver Sr.

Spring flower arrangements centered the tables. A salad and dessert plate was served.

Guests included the honoree, her mother, Mrs. C. R. Reynolds Jr., and her sister, Mrs. O. H. Weaver Jr., Mmes. John Ferguson Jr., Pat Willoughby, C. W. Griggs, John Ferguson Sr., Davis Weaver, M. L. Smith, Rodger Bell, Randy Brown, Jimmy Lee Hastings, John Poe, J. C. Turner and Jimmy Inzer of San Angelo.

Young Adults Class Meets Here Monday

Ladies of the Young Adult Sunday School Class of First Baptist Church met in the home of Mrs. Ronnie Hill Monday night for the regular business meeting. Mrs. Hill gave the devotional. Mrs. Pat Willoughby presided.

The yearbook for the coming year was planned. Also, plans were made for a cookout Thursday night at the home of Rev. and Mrs. Howard Jones.

Others attending were Mmes. O. H. Weaver Jr., Sammie Ferguson, Robert Moore, Paul Frazier, Dan Newberry, Larry McCoy, Mike Brown, C. L. White, Bobby Stubblefield and Andy Brown. Refreshments were melon balls.

Party Honors Mrs. Walton

Mrs. W. V. (Vincie) Walton was honored with a birthday party Tuesday morning in the home of Mrs. Albert Haught.

The honoree presented each member of the houseparty with a pink carnation. These were used to form the centerpiece.

Cake and coffee were served. Other guests were Mmes. Louis Young, Jack Hamilton, Charles Evans and Ada Estes of Abilene.

Eastern Star

Hamlin Chapter 460, Order of the Eastern Star will meet in stated meeting and initiation Tuesday night at 8 p.m. in Masonic Hall.

MRS. ALLEN DALE SMITH
... formerly Vickie Jo Dickerson

Dickerson, Smith Wedding Vows Read Here Friday

Vickie Jo Dickerson, daughter of Mr. and Mrs. Calvin Dickerson, and Allen Dale Smith of Abilene were married Friday evening in Central Baptist Church.

Parents of the bridegroom are Mr. and Mrs. Pierre Kendrick of Eastland and T. E. Smith of Vicksburg, Miss. The pastor, the Rev. C. G. Grigg, officiated. Phil Kendrick was organist.

Karen Goode of Houston was maid of honor. Bridesmaids were Diane Byrd of Stamford and Sally Hutto of San Angelo.

Clifford Ferguson of Abilene was best man. Groomsmen were Jack Banard of Abilene and John Brown of Fort Worth.

Lora Burleson of Abilene and Britt McCracken were candle lighters. Ushers were Frank Meyner and Ray Scifres.

The bride was given in marriage by her father. Her French designed scalloped acetate nylon chantilace ruffled gown featured a sabrina neckline and a bow of acetate peau.

Attendants' gowns of pink and blue dotted swiss were fashioned with sheer sleeves.

The reception was hosted by the bride's parents in Fellowship Hall.

The couple will be at home June 30 at 520 A Mulberry in Abilene after a wedding trip to Sonora.

The bride is a graduate of Hamlin High School and attended Western Texas College in Snyder.

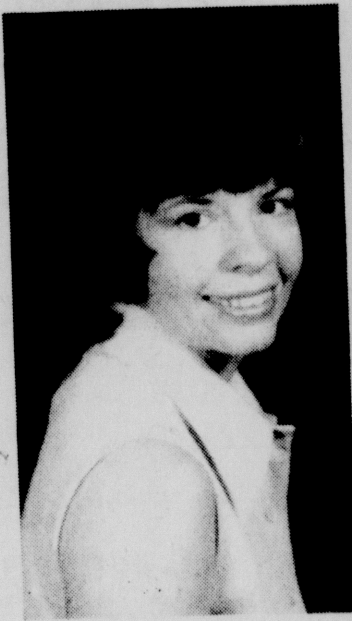

The bridegroom is a graduate of Panhandle High School and is employed by Burlington Railroad out of Abilene.

The rehearsal dinner was hosted by Mr. and Mrs. Kendrick in Fellowship Hall.

A pre-nuptial compliment to the bride was a tea May 30 at Central Baptist Church in the Fellowship Hall.

Hostesses were Mmes. Charles Ledbetter, Mike Kelley, Paul Spalding, Mac Harris, Eddie Goode, Raymond Nichols Jr., C. G. Griggs, Danny Warner, Randy Dolly and Miss Karen Goode.

White lace covered the serving table which was centered with an arrangement of pink roses. Pink was also used in refreshments. Crystal appointments were used.

CAROLYN REYNOLDS
... receives masters

Miss Reynolds Gets Masters

Carolyn Reynolds received her master's of education degree with emphasis in mathematics from the University of Texas at Austin in May.

Miss Reynolds, daughter of Mr. and Mrs. C. R. Reynolds Jr., has been teaching the fourth grade the past five years in the Austin school system. She received her bachelor of science degree in 1969 and is a graduate of Hamlin High School.

She will be teaching junior high math in Corsicana this fall.

She is a member of National Council of Teachers of Mathematics, Alpha Delta Kappa, honorary teachers sorority, Austin Association of Teachers and Texas State Teachers Association.

Weekend events should be reported to Herald by noon Monday.

Local Students Receive \$500 Scholarships

Two Hamlin High School graduates have been awarded \$500 vocational-technical scholarships for two-year colleges by Continental Oil Company.

All high school seniors who are children of Conoco employees are eligible and 10 scholarships are awarded.

Carla Dean Adair, 18, daughter of Mr. and Mrs. Glenn Adair, and Sheri Joy Howerton, 18, daughter of Mr. and Mrs. B. J. Howerton Sr., were notified June 17 that they had been chosen June 15 by the Conoco Scholarship Committee in Houston.

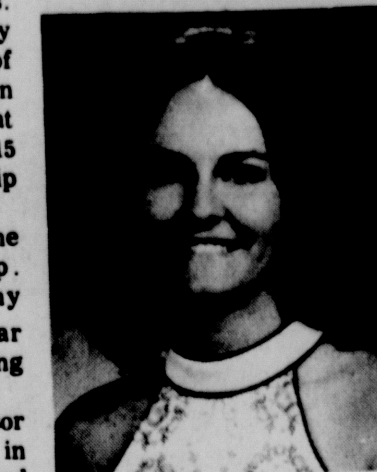

This is the first year for the two-year scholarship. Previously the company sponsored only four-year scholarships and beginning this year both are offered.

Sheri's father is supervisor of Roundtop gas plant in Hamlin. She plans to attend Western Texas College in Snyder in the fall and will be taking a secretarial course.

Carla's father is employed as a roustabout for Continental in Aspermont. She plans to attend Western

SHERI HOWERTON

Texas College also, enrolling in January. She has not chosen her course of study.

Ruth Class Meets Here

The Ruth Sunday School Class of Central Baptist Church held their regular meeting Tuesday afternoon. Mrs. Newell King was the hostess.

The opening prayer was

given by Mrs. Floyd Wallace. The class took an offering for the church building fund. The Bible quiz was given by Opal Goodgame.

The devotion was given by Mrs. R. L. Nichols on Psalms 56.

Mrs. M. L. Haught gave the closing prayer.

MRS. NOEL DWAYNE WEAVER
... formerly Dana Denise Gallagher

Gallagher, Weaver Vows Exchanged Here Saturday

Dana Denise Gallagher and Noel Dwayne Weaver were married here Saturday evening at First Baptist Church in a candlelight ceremony. The pastor, the Rev. Howard Jones, read the double ring vows. The bride is the daughter of

Mr. and Mrs. Dan Gallagher and Mr. and Mrs. James F. Weaver are parents of the bridegroom.

Wedding music was presented by Keith Jackson and Dana Wright, duet, and Mrs. Marvin Carlton, organist.

Elaine Kelley was maid of honor. Bridesmaids were Carla Adair, Connie Christian and NaRae Gallagher of Jayton, cousin of the bride.

Dennis Weaver of Big Spring, brother of the bridegroom, was best man. Groomsmen were Frank Wheeler, Jerry Briscoe and Gary Creason.

Ring bearer was Darren Weaver, brother of the bridegroom.

Ushers were Bennett Driver and Keith Jackson.

Presented in marriage by her father, the bride wore a princess gown of organza and val lace with jeweled neckline and long sleeves with bishop cuffs. She carried a bouquet of white roses.

Attendants' gowns of sheer duchess dots in blue, pink, yellow and green were fashioned with empire waist, high neckline and long sleeves. They carried bouquets of spring flowers in rainbow colors.

The reception was hosted by the bride's parents in the church parlor.

After a wedding trip to Ruidosa, N. M., the couple will be at home in Lubbock July 1.

Both are spring graduates of Hamlin High School. The bridegroom was employed as a repairman at Frank's TV.

The rehearsal dinner was hosted by the bridegroom's parents at the Hamlin Country Club.

Mr. and Mrs. Bobby Gene Fletcher of Anson are parents of a girl, Stormy Annette, 7 lbs. 12 oz., born June 17 at 1:02 a.m.

CLOUD'S CARPET STORE
HAMLIN, TEXAS

FROM THE FILES . . .

FIFTY YEARS AGO (June 27, 1924)

It appears that it is a hard matter to "munkey" with a thing called a "still," and get by with it. It is not always "still things" that are the most harmless. But there is one more still in the custody of the law this week. According to information, some Mexicans were acting suspicious on the road between Hamlin and Abbie and when the proper authorities, the County Deputy and assistants took a close-up view they found a sure enough still in the Mexican car and one gallon of liquor, all evidently being transported to some cooler climate. The men were taken in charge and then an investigation was made of a house near by and there one more man was captured and one more gallon or so of "stuff." All this is the result of ignorance on the part of the Mexicans or a purely unadulterated case of trying to ignore the laws of our country. Ignorance is pitiful. Willful disregard of our laws is worse.

Hamlin people will again try to voice their sentiments on the question of whether or not chickens will be denied the right to run at large. This election is to come off on Thursday, July 24, just two days before the great Primary election day.

The Herald is authorized to say to the world that Hamlin will entertain all the people in this part of the country on two days in July. The dates set for this big Mid-summer jollification are July 15, (Tuesday) and July 16, (Wednesday). These days will be filled with all kinds of amusements, common to picnics and then some. Hamlin Recreational Park will be the grounds and that means a huge crowd on both days. The Park is close up in town and has water connections and there is lots of parking room and plenty of shade for the visitors.

showing size, type and age of the lines will be needed in order that deteriorating lines may be replaced before paving is put down. It is hoped these maps may be started within a few weeks, according to city officials.

Growing interest in the paving program on the part of citizens was reported by Mayor Willard Jones. Hamlin Schools, he said, have included funds for paving around all school property during the ensuing year in the new budget for 1954-55, which was appointed recently.

With the city taking care of intersection paving, the property owners will be asked to pay for paving alongside their property. Estimated costs are around \$4 per linear foot for curb and gutter and 33-foot asphalt paving. Bids will be asked on the paving when specifications are prepared soon, city officials said. Terms will be arranged for property owners who desire them, it was revealed.

TEN YEARS AGO (June 25, 1964)

Jayne Carol Turner was named queen at the final performance of the Hamlin Riding Club's Amateur Rodeo last Wednesday evening. Judy Jenkins was first runner-up; Anna Adams was second runner-up and Kay Hodnett was third runner-up. Jayne, daughter of Mr. and Mrs. J. C. Turner, will represent the Hamlin Riding Club as their queen and will ride ahead of the Riding Club in area Rodeo parades and grand entries.

Rev. Byron Bryant, head of religious activities for Hardin-Simmons University, Abilene, has been called as interim supply pastor of the First Baptist Church. He assumed the responsibilities at the church Wednesday evening and will serve the church for Wednesday evening and Sunday services.

The former pastor, Rev. Lenard Hartley, is now pastor of the Sherwood Baptist Church in Odessa.

NEWS AND VIEWS. . .

And What Have You

Continued from page 1

flotation device—and none was handy.

When you realize that there are 432,558 boats registered in Texas you can understand why boating safety is so important. With many people taking to the water during the July Fourth holiday it is important that all boaters pay special attention to boating safety during this week.

While the law does not require it, we would urge everyone in a boat to wear some kind of flotation device. In fact many lakes now require it.

NEINDA PHILOSOPHER—

Claims Cattlemen Ought to Keep Up With The News to Avoid A Slump

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One discusses the plight of cattlemen this week, we think.

Dear editor:

As everybody knows, cattlemen are having a rough time right now because the price of cattle has dropped from 30 to 50 per cent in recent months while nearly everything else, on the wings of inflation, has continued to go up.

What I don't understand about this is why cattlemen don't read the newspapers.

If they did they'd find out how the leaders of the dairy industry have handled the problem. It's fairly simple. All you do is contribute heavily to practically everybody in Congress, whether he owns a milk cow or not or has any dairies in his district, and whatever legislation you want thereafter has easy sailing. So long as it flows, milk

seems to be as good as oil. But that's just part of it. After you get what you want you somehow let the word leak out that you've made all those contributions to all those Congressmen and higher-ups and, what do you know, everybody starts sending the money back, thus leaving you in good financial shape to contribute to the next campaigns.

It's sort of a revolving fund and in recent weeks Congressmen have been returning dairy money faster than other government officials have been turning in jewels from foreign potentates. Everybody ought to clean out his vault and his conscience every once in a while.

Cattlemen ought to shake the sand out of their boots, get the dust out of their eyes, and catch on. Who knows, if they'd been on their toes we might, instead of giving away atomic secrets to bring peace in the Middle East, have been getting the same results by

giving those countries each a billion pounds of our surplus beef.

What does a country need with atomic secrets when its people aren't getting enough to eat? Give em some beef to eat and they might figure out atomic energy on their own. Might even figure out a better way to grow crops than with a walking plow.

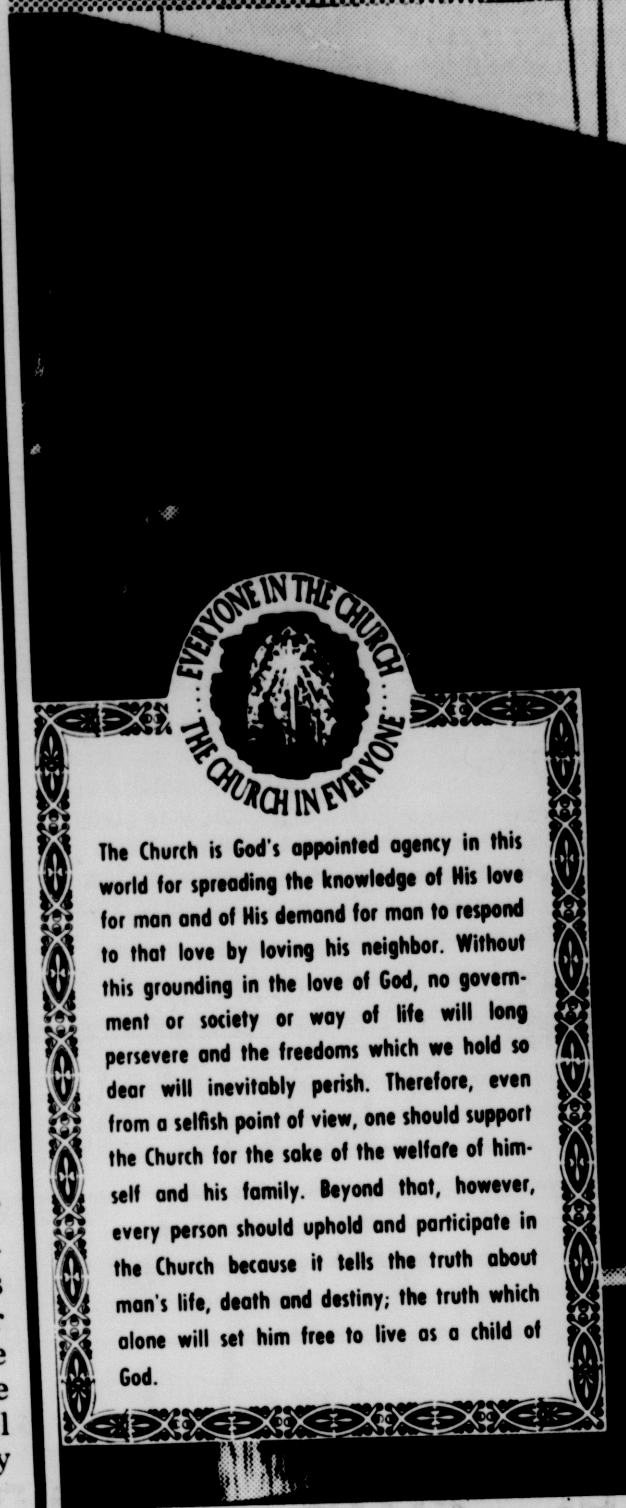

Of course I understand all the Middle East countries have signed agreements not to use their atomic energy for anything except peaceful purposes, but with paper as high as it is these days it could be even truer than ever that agreements sometimes aren't worth what they're written on.

Cattlemen ought to learn that when you're in trouble you don't wring your hands, you wring Congress' es.

Yours faithfully,
J. A.

Mrs. O. C. Estes of Abilene is visiting in the home of Mr. and Mrs. A. F. Haught.

Eternal Vigil...

Salt air, the beating of heavy waves, and rains... these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and corrupt his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

Services Held Sunday for W. E. Quinney

William Eli Quinney, 73, of McCaulley died at 7:30 a.m. Friday in Hamlin Memorial Hospital. Services were held at 2:30 p.m. Sunday in the Assembly of God Church in Stockdale.

Mr. Quinney was born Nov. 22, 1900, in Wilson County. He married Nettie May Rogers Nov. 28, 1926, in Hamlin. Burial was in the Still Branch Cemetery under the direction of McCoy Funeral Home of Hamlin.

Survivors are his wife; six sons, J. O. of Abilene, Jessie and Ira, both of Alice, Tommy of Big Lake, Roy of Navasota, Ernest of Delight, Ark.; five daughters, Mrs. Hazel Short of Pleasant, Mrs. D. L. Jones of Brownfield, Mrs. Douglas Jerrell of Delight, Ark., Mrs. Max McElry of Plains, Mrs. Estell Martin of Tye; four brothers, Jim of Abilene, M. K. and Steve, both of Stockdale and Henry of Nixon; six sisters, Mrs. Susie Shelton of Clyde, Mrs. Nora Wells of Anderson, Mrs. J. O. Lewis of Hamlin, Mrs. Bill Matchett of Hamlin, Mrs. Hattie Gimble of Stockdale, and Mrs. Viola Shaver of Stockdale; 33 grandchildren; and nine great-grandchildren.

Susan Mueller On Honor List

Susan L. Mueller was named to the President's List at Western Texas College in Snyder for the 1974 spring semester. She is the daughter of Mrs. LaFoy Patterson and the late Mr. Patterson.

Nineteen students were named to the list which is composed of students who make no grade lower than A in at least 15 semester hours of college work excluding physical education.

Day Care Center Now Can Handle Drop-Ins

Two new employees have been added to the staff of personnel at the Hamlin Child Day Care Center, according to Mrs. L. C. Bonds, secretary of the board of directors for the center.

Hired were Mrs. Bill (Sue) Hudgins as assistant director and Tommie Ann Mayes, a summer employee under the Manpower program.

With the increase in personnel the center is set up for more children and will also be able to handle children on a drop-in basis, according to the director, Mrs. Bobby Crowley.

Other employees are Mrs. Mike Brown and Bobby Burleson.

The center can handle quite a few more children, Mrs. Crowley said. Anyone needing information about the placing children at the center should call Mrs. Crowley at 576-3566.

The center is planned for up to 35 children. At present seven are enrolled on a regular basis, four have places reserved when their mothers become employed and six more have reserved spots for this fall.

All children from birth to seven years are eligible to use the center's services. Cost is \$17.50 for each child. Arrangements are made for welfare and potential welfare recipients for 70 percent of the cost.

NEWS FROM

McCAULLEY

By MRS. FRED KEMP

Avis and Roberta Jeffrey will be flying to Portland, Ore. to spend their vacation with their son, Jimmy and family this weekend.

Jeffrey Green celebrated his third birthday with a party Saturday.

Mr. and Mrs. Donnie Potts and daughter visited in the home of his mother Mrs. Vada Potts this week-end. Donnie lives in Denver, Colorado.

Max Kemp spent several days last week in Abilene with the Jim Taylors and attended the Coaches All American Football Game in Lubbock Saturday night.

Philip Cleveland is working in Abilene this summer for a packing house.

Mr. and Mrs. Pete Forbes were in Dallas last week visiting Mrs. Forbes' mother and sister.

Mrs. Edna Thompson taught a 4-H Sewing class in

the Home Economics Building. Carla Young and Arlene Coleman made dresses and will model them next week in the Dress Revue in Rotan. Sheila Jeffrey will model a pant suit she made in the Dress Revue.

The Housewarming for Albert and Geneva Maberry was well attended. The evening was climaxed with a song festival.

The Colwell sisters—Mrs. Beatrice Kemp, Mrs. Ella Scott, Hamlin, Mrs. Velma Haag and Minnie Ward of Midland—met for their annual reunion in the home of Mr. and Mrs. Frank Kemp Saturday. Many of their children, friends, and relatives helped with the celebration.

Out-of-towners were, Mrs. Sidney Harwood and Byron Bowman of San Angelo; Mrs. Ruth Crance of Lubbock; Mr. and Mrs. Scott Lee of Pon-

der, Mrs. Mervin Haag, and Adele Thomas of Midland, Mr. and Mrs. Jo Billy Ward and granddaughter, Hope, of Ft. Worth; Mrs. Elizabeth Turner of Abilene, Mr. and Mrs. Raymond Kemp, Mr. and Mrs. Guy Kemp, Mr. and Mrs. Eex Kemp of Roby and Mr. and Mrs. W. J. Kemp of Hamlin.

Two Students On Honor Roll

John V. Howard III, a wildlife management major, and Irby Davis Weaver, recent graduate, were named to the "B" Honor Roll for the spring semester at Tarleton State University in Stephenville.

The honor roll consists of those students who carry at least 12 semester hours and have no grade below B.

Weaver received a degree

in agriculture education in May. He is the son of Mr. and Mrs. Irby Weaver.

Howard is the son of Mr. and Mrs. John V. Howard Jr.

Fred M. Hail Dies In Wreck

Funeral for Fred M. Hail, 42, of Carlsbad, Tx., brother-in-law of Mrs. Eugene Alexander, was held Friday in San Angelo. Mr. Hail was killed June 19 at 6:40 a.m. in a truck accident 12 miles north of Sterling City. An employee of Fina Oil Co., he was driving a gasoline transport at the time of the accident.

He was a deacon in the First Baptist Church.

Survivors are his wife, the former Bessie Shaw, sister to Mrs. Alexander; two sons, Mike of Austin and Greg of California; two daughters, Deb of Carlsbad and Phyllis of the home.

Agent Gives Tips to Gardeners On Moisture

Hot, dry summer weather is here and that means following certain practices to "stretch" the moisture available for your lawn and garden.

"Wise use of available moisture helps keep your lawn and garden plants growing and healthy while at the same time reducing the amount of irrigation water required," points out Kirby Clayton, Jones County Extension agent.

To start with, Clayton suggests a good mulch at least two inches deep around flowers, shrubs and other

plants. This reduces evaporation loss from the soil surface, lowers the soil temperature, reduces weed growth and cuts down on soil cultivation. Shredded pine bark, pine straw wood chips, chopped wheat or oat straw or other organic matter is good for mulching.

When watering, Clayton recommends soaking the soil to a depth of 6 to 10 inches. Of course where the soil surface is sloping, watering should be reduced to avoid excessive runoff.

"Deep watering encourages deep root penetration and provides a greater reservoir of moisture for plants. This enables plants to withstand dry weather better than when waterings are light and frequent. After a thorough soaking of the soil, watering can be delayed until plants begin to wilt."

Clayton advises applying fertilizer, insecticides or fungicides to plants only when there is moisture in the soil. Severe foliage burn can occur if these materials are applied when plants are under water stress conditions. Fertilize lawns when needed since a well-fertilized

Texas Third In Vegetable Production

AUSTIN—Texas was first in the nation last year in harvested acreage of cabbage, spinach and watermelons, Agriculture Commissioner John C. White has announced.

The state ranked in the top five in cantaloups, carrots, green peppers and onions and was third nationwide in total production of fresh market vegetables.

These and other facts are contained in a new Texas Department of Agriculture publication, 1973 Texas Vegetable Statistics.

Statistics were compiled by the Texas Crop and Livestock Reporting Service. They contain a detailed breakdown of 16 vegetable crops grown for fresh marketing and processing in Texas. Estimates are also made for Irish and sweet potatoes, beets for canning and snap beans for processing.

With maps, charts and graphs, the booklet breaks down vegetable production into eight major growing areas, planting and harvesting dates, principal counties, areas, acreage, yield, cash value survey methods and other information pertinent to the state's vegetable industry.

According to White, commercial vegetable production is centered in 13 principle areas which include 105 counties. Of these, three counties grow more than 10,000 acres of vegetables a year—Hidalgo, Zavala and Frio.

Anyone interested in a copy may write to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.

lawn will use water more efficiently and will require less water to keep it alive. Raising the cutting height of your lawnmower one-fourth to one-half inch will also reduce the water needs of your lawn.

"Do your yard work early in the morning or late in the afternoon, suggests Clayton. You will enjoy it more and your plants will benefit."

Farmers Will Need Good Records for Farm Census

Farmers and ranchers, get ready for the 1974 Census of Agriculture! Keep good records of your farming operations this year! This is the request of the Bureau of the Census, the Federal agency that will conduct the 20th nationwide Census of Agriculture during the first part of 1975. The Bureau is part of the U.S. Department of Commerce's Social and Economic Statistics Administration.

Farmers will receive their report forms by mail early in January. They should fill them out and mail them back promptly. Having accurate and detailed records will make it easy for farmers to do this. Questions will be much like those in the last previous agriculture census which covered farming and ranching during 1969.

Questions will ask for acreage of cropland harvested; quantity and market value of major crops produced; acres irrigated and means of irrigation; acreage treated with pesticides, lime and other chemicals; acreage fertilized by kind of fertilizer (dry,

liquid, gas). Questions on livestock and poultry will cover the number of each kind on the farm as well as the number sold and the sales value. Quantities and sales value of their products will be sought.

Details will be requested about farm products produced or marketed under contract. A few questions will be included about hired and contract labor, the number of workers and cash wages paid; also about any injuries to workers.

Further expenditure questions will cover amounts spent for feed, fertilizer, pesticides, lime, gasoline and other farm fuels, machine hire, and livestock and poultry purchases.

There will be questions about the various types and uses of land, such as cropland not harvested, other pasture and woodland, and about the value of land and buildings on the farm.

Operators will be asked about farm related income such as recreational services, customwork provided other farmers, or payments for participation in Government farm programs.

Two types of report forms are being prepared: one for farms with sales of \$2500 or more, and another less detailed form for places with sales of less than \$2500. No matter which form a farmer receives, he need answer only those questions that apply to his operation. He should skip questions that apply only to other types of agricultural operations.

By Federal law, every report is confidential. It may be seen only by sworn Census employees and may be used only for statistical purposes. The mail method reinforces confidentiality. It also allows

the farmer to complete the report at his convenience with accurate information from his records.

EARLY

HELLO!!!

I am William Jackson Jr., owner of Jackson's Body Shop in Anson, with a message to Money Savers. This hot, dry weather is the ideal time to have that 2 to 5 year old car repainted and the dents taken out.

And here at Jackson's Body Shop I've put on two more paint and body men and this doubles our capacity to get your work in, get to it and get it out. We also have two telephones, so as not to keep you waiting.

What with all the confusion and frustration in the world, I didn't believe you would hold it against me if I tried to be more efficient.

Day 823-3283

Nite 823-3318

Come to the Land Bank for a long-term loan at reasonable cost.

Your Land Bank is continuing to buy capital in the nation's money market at prices that compare favorably with those paid by top-rated corporations. This money is made available to you at the lowest interest rates the current economic conditions permit. Remember, too, that you get added protection from the Land Bank's Variable Interest Rate Plan—the arrangement that helps insure that your loan charges are as fair as we can make them.

NEWS FROM OLD GLORY

Crops are looking pretty good in our area. All we need now is a good soaking rain and things will be looking up around O. G.

Folks interested in Old Glory will need to be watching some of the daily newspapers around July 4th. A reporter with United Press International has been gathering information to run a feature article around that date.

The James Martin family of the Pumphrey Ranch near Old Glory will be participating in the Albany Fandangle to be held on June 20, 21, and 22, and then again on June 27, 28, and 29.

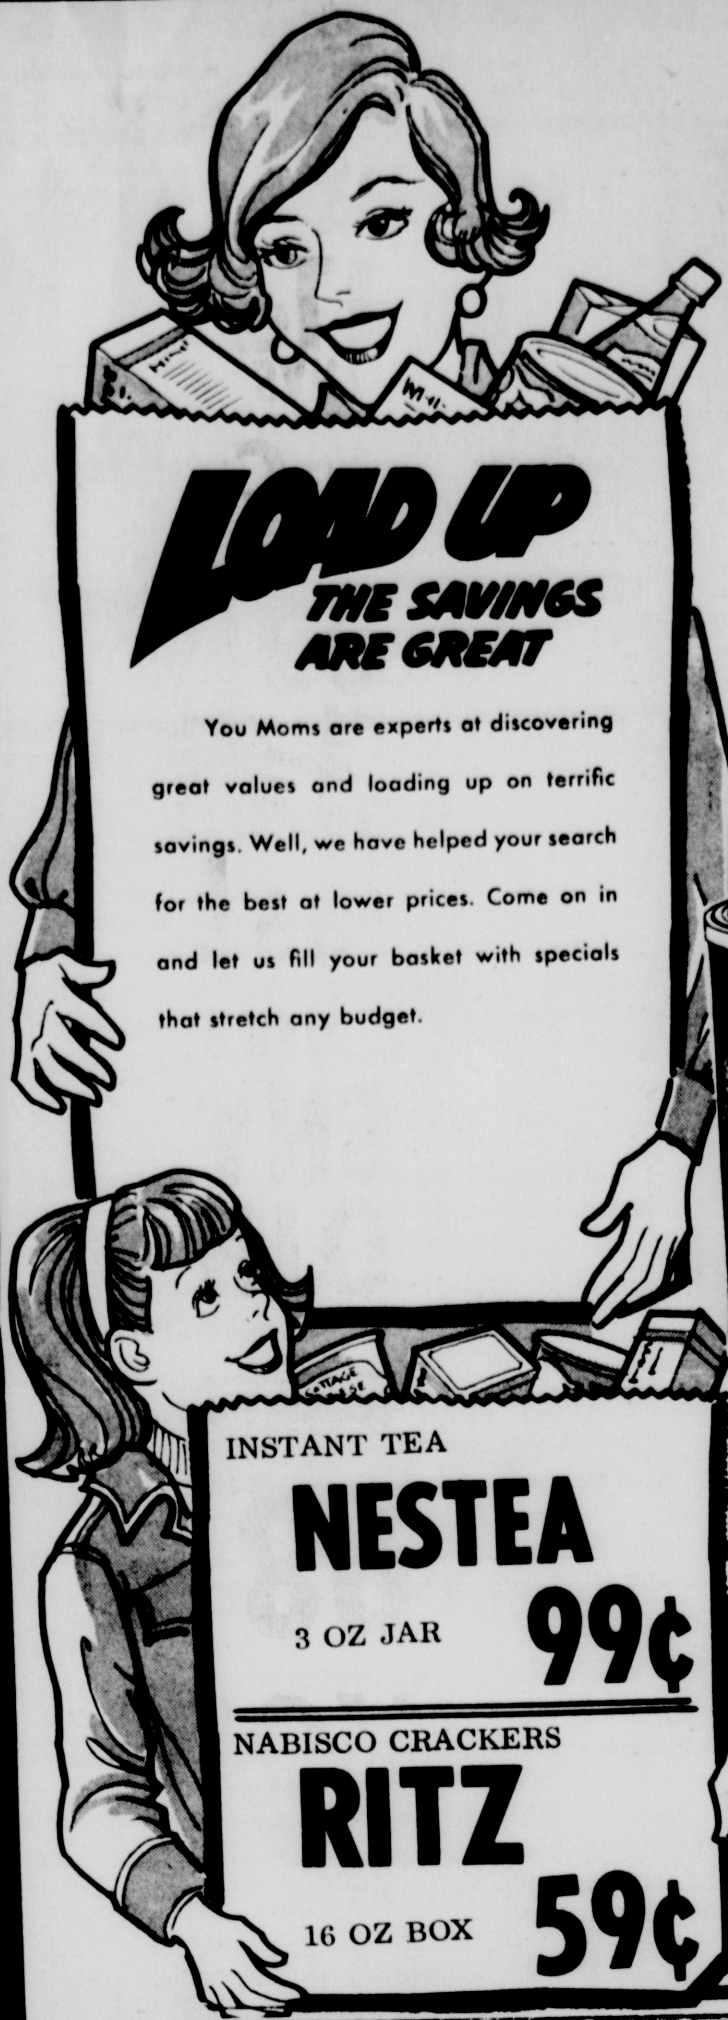

Mrs. Martin and Lanham will be singing, Wesley will portray a Ft. Griffin character as a cavalierman, Mr. Martin and David will also participate in the show. On Monday, June 24, Mrs. Martin appeared on the Natalie Powers show on T.V. Channel 9 - Abilene.

"I have promises to keep."

Power lines of the rural electric cooperative are often lonely ones because, in Texas, they serve an average of only three meters per mile of line. Now, inflation, fuel shortages and rising costs make higher electric rates inevitable.

But the countless uses for electricity in remote rural areas are built on the promise of dependable power at its lowest possible price. Keeping that promise is a tradition with the member-owned rural electric cooperatives.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Although it was made clear in the news stories on the subject, it should probably be pointed out that the court battle involving the Stamford Hospital District can have no effect on Hamlin's Hospital District.

Stamford lost the first round of their legal battle with the residents in the Southern part of their district. It is likely that the issue will go all the way to the State Supreme Court before it is settled.

But this is an issue of whether it is constitutional to expand the boundaries of a hospital district and does not effect Hamlin. Our district was created by the legislature and approved by the voters and therefore is just as legal as any other hospital district within the state.

Several directors of the Hamlin Board of Community Development met with Homer Tucker of the Texas Rural Industrial Development Commission this past week. And about the most notable thing learned at the meeting was that there are a great many organizations and groups just waiting to help communities to gain more industry, but most of this help is going and will continue to go to the communities that are trying to help themselves.

There are a number of organizations that want to see industry develop in the rural areas, in West Texas, in the Big Country or just in Texas but all of them want to help those communities that make it easiest for them.

The communities that are getting new industry are the communities that have Industrial Foundations, have active industrial teams and above all have some people who are interested enough to devote some time to this job of securing new industry.

When some regional organization or firm gets an industrial prospect why should they bother with a community that has none of this when there are a great many communities actively seeking industry and have the money and manpower needed to take care of the prospective industry.

Hopefully within the next few weeks efforts will get underway to form an Industrial Foundation here in Hamlin. This is apparently the first step in any organized effort to secure new industry.

And hopefully out of this step will come some people interested enough in the project to spend a day in Austin with the Texas Industrial Commission in learning just how to get the balance of the project underway.

As we pointed out in the beginning, there are many groups just waiting for us to call on them for help but we must take the first step. No one is going to come in here and do the work for us. As with most things worthwhile, it takes some effort to make things happen.

Next week is Safe Boating Week in Texas and if you spend very much time around Texas lakes you know that every effort needs to be made to get Texans to try a little harder to make boating safer.

In 1973 there were 74 boating deaths in Texas and it is surprising that there were not more when you watch some people operate their boat.

The Texas Safety Association points out that at least half of the recreational drowning victims in the United States last year never intended going into the water in the first place. Either they were involved in a boat sinking or they slipped, tripped or fell into the water. Most of these "surprise victims" were not wearing a

Continued on page 4

MAKING PREPARATIONS FOR CRUSADE—Plans for the July 7-11 City-wide Crusade began to take shape at a meeting of the steering committee last Wednesday morning. Here, from left, are Lynn Mink, in charge of publicity; the Rev. Jim Smith, new minister of First United Methodist Church; the Rev. Howard Jones, First Baptist Church pastor, and general Crusade Chairman; and Edgar Duncan, finance chairman. These men and others of the committee met at a breakfast meeting at Hamlin Restaurant.

Workers Complete Plans For City-Wide Crusade

Workers from the participating churches sponsoring the City-wide Crusade are completing plans for the July 7-11 event to be staged in the Pied Piper Football Stadium.

David Stockwell, one of the outstanding young Christian leaders in America, will be the evangelist. He is a former Rice University football player and was president of the Fellowship of Christian Athletes while at Rice. He was a three-year letterman as an offensive guard for the Owls.

The Rev. Howard Jones, pastor of First Baptist Church and general Crusade chairman, said, "Recently David led a two-day rally in Baton Rouge where over 1250 people accepted Christ in the Coliseum where L.S.U. plays basketball. At First Church, Nederland, Texas, 398 made confessions of faith one night, as 609 accepted Christ in a five-day Crusade."

"In a four-day crusade in Texarkana, 721 accepted Christ," he added. "He is called one of the most revolutionary speakers in America. It is certainly a great opportunity for Hamlin to have the chance to work with and hear David Stockwell."

Churches cooperating in the Crusade are First United Methodist, Assembly of God, First Baptist, Mexican Mission of FBC, Central

Baptist, Calvary Baptist, Oak Grove Baptist, Church of the Nazarene, Foursquare Gospel and Holy Trinity Catholic.

Assisting Rev. Jones with responsibilities are the following committee chairmen: Edgar Duncan, finance; Donald Young, treasurer; Lynn Mink, publicity; Rev. Marshall Stewart, church enlistment; Reba Jackson, music; Mr. and Mrs. L. J. Cunningham, entertainment; Mrs. Buster Grigg, telephone; Richard

Young, stadium arrangements; Rev. Buster Grigg, prayer lift committee; Jimmie Spalding and Gary Cooper, parking; Ed Lewis and Ernest Jenkins, ushers; Miss Mary Esco, deceptions; Rev. Carl Amburn and Rev. Grigg, counselors; and Mr. and Mrs. Delton Jackson, youth.

Other members of the steering committee are Father Stephen White, Rev. Jim Smith, Rev. Walter Hickman, Rev. Claude Fry and Rev. Leo Scott.

Area Toll-Free Dialing To Start Here Monday

The long-awaited toll-free calling arrangements between Hamlin, Anson and Stamford will become a reality July 1.

Southwestern Bell has completed installation of equipment necessary for the Extended Area Service (EAS) between the three cities and is making final tests to assure good operation of the system.

"Southwestern Bell is pleased to be able to complete this arrangement for the convenience of telephone customers in Hamlin, Stamford and Anson," said Bud McCasland, manager for

Southwestern Bell.

Planning and preparation for the EAS arrangement began about two years ago after city officials in all three towns gave approval to the system, which will entail increased monthly telephone rates.

Southwestern Bell has buried cable between the three towns, and has installed and modified switching equipment in each city, at a cost of several thousand dollars.

EAS will make available about 5100 telephone numbers on a toll-free basis to residents of the three cities. There are approximately 2200 working telephone numbers in Stamford, and about 1450 each in Hamlin and Anson.

In each town, customers must dial all seven digits of the telephone they are calling in order to assure completion of the call.

A joint Hamlin-Anson-Stamford directory is being delivered.

There are 35 pages of alphabetical listings in the directory.

The new monthly rates for telephone service will be the same in each city. The rates are effective with initiation of the system on July 1.

One party business line, \$14.50 monthly; one party residence line, \$6.50 monthly; two party residence line, \$5.15 monthly; business extension, \$1.50 monthly; residence extension, \$1 monthly.

Because the rate change will be effective in the midst of a billing period, the first bill received after July 1 will reflect pro rata rates based on length of service under old rates prior to July 1 and the new rates effective with EAS on that date.

Coach Bonds Rejects Kerrville Job Offer

David Bonds, Hamlin High School Athletic Director for the past two years, said Wednesday afternoon that he had turned down the Head Coaching position at Class AAA Kerrville. The Kerrville School Board had offered the head job to Coach Bonds at

their meeting Monday evening.

Coach Bonds was in Kerrville Tuesday to meet with the coaching staff and it was not learned until he returned here after noon Wednesday that he had

decided not to take the position.

The Kerrville School Board Monday had picked Bonds to succeed Bill Farrington, who resigned the head coach job to take an administrative post.

Coach Bonds, a Hamlin High School graduate, returned to Hamlin in 1972 to lead the Pied Pipers to two consecutive District 6-AA championships, going as far as the Regional playoffs this past season where they lost to Alpine.

Bonds was a two-year letterman in football and a four-year letterman in track at McMurry College. He was signed by pro football's Washington Redskins in 1965 and was later picked up by the Kansas City Chiefs. He played for the Chiefs two years.

Bonds had several assistant coaching jobs in Texas before taking his first head job here in Hamlin with the Pipers. He moved here from Alice.

Foursquare Church Sets Crusade Here

A Children's Crusade featuring Miss Betty will be held June 30-July 5 at Foursquare Gospel Church.

The programs are scheduled from 7 to 8:30 p.m. each day.

Planned for the crusade are quizzes, storytime, Astro-Boy and Astro-Girl, Kenny the Puppet, Penny March, music, filmstrips, prizes, treasure chest and a three-foot chocolate candy bar.

All children are invited says the pastor, the Rev. Claude Fry.

Carport Sale to Benefit Mentally Retarded Camp

A carport sale at 515 West Lake Drive opens at 8 a.m. today and will continue Friday and Saturday to raise funds for Camp Roadrunner, a residential summer camp for mentally retarded for a 3-county area.

The sale is at the home of Mrs. C. L. Howard, who will also be a camp counselor. Her daughter, Mrs. Jaylon Fincannon of Austin, will be the camp director.

The Roadrunner campsite will be the Butman Methodist Church Encampment, 30 miles southwest of Abilene and 15 miles south of Merkel.

Mentally retarded persons ages 12 years and over, of any race may attend.

The parents or guardians of the children are requested to provide the camp fee of \$50 per child. However, it is hoped that no child is refused admission because of the inability to pay the fee. Civic groups and other organizations are urged to sponsor a child or children who might need assistance.

For the past several years a garage sale has been staged in Abilene to benefit the camp but this year the Abilene group decided to hold a bake sale instead. Abilene members are providing some merchandise for the sale

here, Mrs. Howard noted.

Anyone who would like to donate merchandise for sale or give cash donations may do so. Residents are reminded to watch for new merchandise as more is expected to be added each day.

Camp Roadrunner will be held July 13-20. Campers will arrive before noon on Saturday, July 13, and will leave for home before noon on July 20.

A registered nurse will be on duty at all times and there will be at least one staff member for each five campers.

The program is designed to offer each camper an opportunity to develop natural talents and skills. A complete program of camping and outdoor exploration will be managed by a specially trained staff and counselors. The program will include arts and crafts, games, sports, campcraft, field trips, hikes, swimming, story telling and music. The campers will share the pleasures and responsibilities of camp life and will discover the value of good friendships with persons their own age.

Parents interested in having their child attend should contact Mrs. Howard.

CLERK OF THE MONTH—Bettye Lawlis, right, named Clerk of the Month by the special committee of the Retail Trade Development Committee of the Hamlin Board of Community Development, assists Mrs. Robert Cary, in making a selection of cosmetics at Mar-Jo's Merle Norman Studio.

CARPORT SALE FOR RETARDED—Shown making preparations for the three-day carport sale to raise funds for the Roadrunner Camp for the retarded are, from left, Mrs. C. B. Brown, Mrs. Ed Wheat, Mrs. C. L. Howard, and Mrs. Jaylon Fincannon of Austin. The carport sale opens today (Thursday) at 8 a.m. at the Howard home, 515 West Lake Drive, and will continue through Saturday.

Bridge Party Here Honors Miss Reynolds

A bridge party honoring Carolyn Reynolds, bride-elect of Pat Batchelor of Corsicana, was given Friday, June 14, in the home of Mrs. Irby Weaver. Assisting as hostesses were Mrs. Lagena Hill, and Mrs. O. H. Weaver Sr.

Spring flower arrangements centered the tables. A salad and dessert plate was served.

Guests included the honoree, her mother, Mrs. C. R. Reynolds Jr., and her sister, Mrs. O. H. Weaver Jr., Mmes. John Ferguson Jr., Pat Willoughby, C. W. Griggs, John Ferguson Sr., Davis Weaver, M. L. Smith, Rodger Bell, Randy Brown, Jimmy Lee Hastings, John Poe, J. C. Turner and Jimmy Inzer of San Angelo.

Young Adults Class Meets Here Monday

Ladies of the Young Adult Sunday School Class of First Baptist Church met in the home of Mrs. Ronnie Hill Monday night for the regular business meeting. Mrs. Hill gave the devotional. Mrs. Pat Willoughby presided.

The yearbook for the coming year was planned. Also, plans were made for a cookout Thursday night at the home of Rev. and Mrs. Howard Jones.

Others attending were Mmes. O. H. Weaver Jr., Sammie Ferguson, Robert Moore, Paul Frazier, Dan Newberry, Larry McCoy, Mike Brown, C. L. White, Bobby Stubblefield and Andy Brown.

Refreshments were melon balls.

Party Honors Mrs. Walton

Mrs. W. V. (Vincie) Walton was honored with a birthday party Tuesday morning in the home of Mrs. Albert Haught. The honoree presented each member of the houseparty with a pink carnation. These were used to form the centerpiece.

Cake and coffee were served. Other guests were Mmes. Louis Young, Jack Hamilton, Charles Evans and Ada Estes of Abilene.

Eastern Star

Hamlin Chapter 460, Order of the Eastern Star will meet in stated meeting and initiation Tuesday night at 8 p.m. in Masonic Hall.

MRS. ALLEN DALE SMITH
... formerly Vickie Jo Dickerson

Dickerson, Smith Wedding Vows Read Here Friday

Vickie Jo Dickerson, daughter of Mr. and Mrs. Calvin Dickerson, and Allen Dale Smith of Abilene were married Friday evening in Central Baptist Church.

Parents of the bridegroom are Mr. and Mrs. Pierre Kendrick of Eastland and T. E. Smith of Vicksburg, Miss. The pastor, the Rev. C. G. Grigg, officiated. Phil Kendrick was organist.

Karen Goode of Houston was maid of honor. Bridesmaids were Diane Byrd of Stamford and Sally Hutto of San Angelo.

Clifford Ferguson of Abilene was best man. Groomsmen were Jack Banard of Abilene and John Brown of Fort Worth.

Lora Burleson of Abilene and Britt McCracken were candle lighters. Ushers were Frank Meyner and Ray Scifres.

The bride was given in marriage by her father. Her French designed scalloped acetate nylon chantilace ruffled gown featured a sabrina neckline and a bow of acetate peau.

Attendants' gowns of pink and blue dotted swiss were fashioned with sheer sleeves.

The reception was hosted by the bride's parents in Fellowship Hall.

The couple will be at home June 30 at 520 A Mulberry in Abilene after a wedding trip to Sonora.

The bride is a graduate of Hamlin High School and attended Western Texas College in Snyder.

The bridegroom is a graduate of Panhandle High School and is employed by Burlington Railroad out of Abilene.

The rehearsal dinner was hosted by Mr. and Mrs. Kendrick in Fellowship Hall.

A prenuptial compliment to the bride was a tea May 30 at Central Baptist Church in the Fellowship Hall.

Hostesses were Mmes. Charles Ledbetter, Mike Kelley, Paul Spalding, Mac Harris, Eddie Goode, Raymond Nichols Jr., C. G. Griggs, Danny Warner, Randy Dely and Miss Karen Goode.

White lace covered the serving table which was centered with an arrangement of pink roses. Pink was also used in refreshments. Crystal appointments were used.

CAROLYN REYNOLDS
... receives masters

Miss Reynolds Gets Masters

Carolyn Reynolds received her master's of education degree with emphasis in mathematics from the University of Texas at Austin in May.

Miss Reynolds, daughter of Mr. and Mrs. C. R. Reynolds Jr., has been teaching the fourth grade the past five years in the Austin school system. She received her bachelor of science degree in 1969 and is a graduate of Hamlin High School.

She will be teaching junior high math in Corsicana this fall.

She is a member of National Council of Teachers of Mathematics, Alpha Delta Kappa, honorary teachers sorority, Austin Association of Teachers and Texas State Teachers Association.

Weekend events should be reported to Herald by noon Monday.

Local Students Receive \$500 Scholarships

Two Hamlin High School graduates have been awarded \$500 vocational-technical scholarships for two-year colleges by Continental Oil Company.

All high school seniors who are children of Conoco employees are eligible and 10 scholarships are awarded.

Carla Dean Adair, 18, daughter of Mr. and Mrs. Glenn Adair, and Sheri Joy Howerton, 18, daughter of Mr. and Mrs. B. J. Howerton Sr., were notified June 17 that they had been chosen June 15 by the Conoco Scholarship Committee in Houston.

This is the first year for the two-year scholarship. Previously the company sponsored only four-year scholarships and beginning this year both are offered.

Sheri's father is supervisor of Roundtop gas plant in Hamlin. She plans to attend Western Texas College in Snyder in the fall and will be taking a secretarial course.

Carla's father is employed as a roustabout for Continental in Aspermont. She plans to attend Western

Texas College also, enrolling in January. She has not chosen her course of study.

given by Mrs. Floyd Wallace. The class took an offering for the church building fund. The Bible quiz was given by Opal Goodgame.

The devotion was given by Mrs. R. L. Nichols on Psalms 56.

Mrs. M. L. Haught gave the closing prayer.

Ruth Class Meets Here

The Ruth Sunday School Class of Central Baptist Church held their regular meeting Tuesday afternoon. Mrs. Newell King was the hostess.

The opening prayer was

MRS. NOEL DWAYNE WEAVER
... formerly Dana Denise Gallagher

Gallagher, Weaver Vows Exchanged Here Saturday

Dana Denise Gallagher and Noel Dwayne Weaver were married here Saturday evening at First Baptist Church in a candlelight ceremony. The pastor, the Rev. Howard Jones, read the double ring vows.

The bride is the daughter of

Mr. and Mrs. Dan Gallagher and Mr. and Mrs. James F. Weaver are parents of the bridegroom.

Wedding music was presented by Keith Jackson and Dana Wright, duet, and Mrs. Marvin Carlton, organist.

Elaine Kelley was maid of honor. Bridesmaids were Carla Adair, Connie Christian and NaRae Gallagher of Jayton, cousin of the bride.

Dennis Weaver of Big Spring, brother of the bridegroom, was best man. Groomsmen were Frank Shearer, Jerry Briscoe and Gary Creason.

Ring bearer was Darren Weaver, brother of the bridegroom.

Ushers were Bennett Driver and Keith Jackson. Presented in marriage by her father, the bride wore a princess gown of organza and val lace with jeweled neckline and long sleeves with bishop cuffs. She carried a bouquet of white roses.

Attendants' gowns of sheer duchess dots in blue, pink, yellow and green were fashioned with empire waist, high neckline and long sleeves. They carried bouquets of spring flowers in rainbow colors.

The reception was hosted by the bride's parents in the church parlor.

After a wedding trip to Ruidosa, N. M., the couple will be at home in Lubbock July 1.

Both are spring graduates of Hamlin High School. The bridegroom was employed as a repairman at Frank's TV.

The rehearsal dinner was hosted by the bridegroom's parents at the Hamlin Country Club.

Mr. and Mrs. Bobby Gene Fletcher of Anson are parents of a girl, Stormy Annette, 7 lbs. 12 oz., born June 17 at 1:02 a.m.

FROM THE FILES . . .

FIFTY YEARS AGO (June 27, 1924)

It appears that it is a hard matter to "munkey" with a thing called a "still," and get by with it. It is not always "still things" that are the most harmless. But there is one more still in the custody of the law this week. According to information, some Mexicans were acting suspicious on the road between Hamlin and Abbie and when the proper authorities, the County Deputy and assistants took a close-up view they found a sure enough still in the Mexican car and one gallon of liquor, all evidently being transported to some cooler climate. The men were taken in charge and then an investigation was made of a house near by and there one more man was captured and one more gallon or so of "stuff." All this is the result of ignorance on the part of the Mexicans or a purely unadulterated case of trying to ignore the laws of our country. Ignorance is pitiful. Willful disregard of our laws is worse.

Hamlin people will again try to voice their sentiments on the question of whether or not chickens will be denied the right to run at large. This election is to come off on Thursday, July 24, just two days before the great Primary election day.

The Herald is authorized to say to the world that Hamlin will entertain all the people in this part of the country on two days in July. The dates set for this big Mid-summer jollification are July 15, (Tuesday) and July 16, (Wednesday). These days will be filled with all kinds of amusements, common to picnics and then some. Hamlin Recreational Park will be the grounds and that means a huge crowd on both days. The Park is close up in town and has water connections and there is lots of parking room and plenty of shade for the visitors.

TWENTY YEARS AGO (June 25, 1954)

Interest in a city street paving program was revived this week for Hamlin when members of the City Council conferred with a paving contractor and a civil engineer at the special session of the council Tuesday evening at the city hall.

Making of a city contour map showing elevations and their relation to highways traversing the city will be the first step looking toward the paving program, city officials said. Inasmuch as the water drainage problem is a vital one because of the city's almost level nature, the contour map will be needed to ascertain drainage specifications. Also a map of the water and sewer lines over the city,

showing size, type and age of the lines will be needed in order that deteriorating lines may be replaced before paving is put down. It is hoped these maps may be started within a few weeks, according to city officials.

Growing interest in the paving program on the part of citizens was reported by Mayor Willard Jones. Hamlin Schools, he said, have included funds for paving around all school property during the ensuing year in the new budget for 1954-55, which was appointed recently.

With the city taking care of intersection paving, the property owners will be asked to pay for paving alongside their property. Estimated costs are around \$4 per linear foot for curb and gutter and 33-foot asphalt paving. Bids will be asked on the paving when specifications are prepared soon, city officials said. Terms will be arranged for property owners who desire them, it was revealed.

TEN YEARS AGO (June 25, 1964)

Jayne Carol Turner was named queen at the final performance of the Hamlin Riding Club's Amateur Rodeo last Wednesday evening. Judy Jenkins was first runner-up; Anna Adams was second runner-up and Kay Hodnett was third runner-up.

Jayne, daughter of Mr. and Mrs. J. C. Turner, will represent the Hamlin Riding Club as their queen and will ride ahead of the Riding Club in area Rodeo parades and grand entries.

Rev. Byron Bryant, head of religious activities for Hardin-Simmons University, Abilene, has been called as interim supply pastor of the First Baptist Church. He assumed the responsibilities at the church Wednesday evening and will serve the church for Wednesday evening and Sunday services.

The former pastor, Rev. Lenard Hartley, is now pastor of the Sherwood Baptist Church in Odessa.

NEWS AND VIEWS . . .

And What Have You

Continued from page 1

flotation device—and none was handy.

When you realize that there are 432,558 boats registered in Texas you can understand why boating safety is so important. With many people taking to the water during the July Fourth holiday it is important that all boaters pay special attention to boating safety during this week.

While the law does not require it, we would urge everyone in a boat to wear some kind of flotation device. In fact many lakes now require it.

NEINDA PHILOSOPHER—

Claims Cattlemen Ought to Keep Up With The News to Avoid A Slump

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One discusses the plight of cattlemen this week, we think.

Dear editor:

As everybody knows, cattlemen are having a rough time right now because the price of cattle has dropped from 30 to 50 per cent in recent months while nearly everything else, on the wings of inflation, has continued to go up.

What I don't understand about this is why cattlemen don't read the newspapers.

If they did they'd find out how the leaders of the dairy industry have handled the problem. It's fairly simple. All you do is contribute heavily to practically everybody in Congress, whether he owns a milk cow or not or has any dairies in his district, and whatever legislation you want thereafter has easy sailing. So long as it flows, milk

seems to be as good as oil.

But that's just part of it. After you get what you want you somehow let the word leak out that you've made all those contributions to all those Congressmen and higher-ups and, what do you know, everybody starts sending the money back, thus leaving you in good financial shape to contribute to the next campaigns.

It's sort of a revolving fund and in recent weeks Congressmen have been returning dairy money faster than other government officials have been turning in jewels from foreign potentates. Everybody ought to clean out his vault and his conscience every once in a while.

Cattlemen ought to shake the sand out of their boots, get the dust out of their eyes, and catch on. Who knows, if they'd been on their toes we might, instead of giving away atomic secrets to bring peace in the Middle East, have been getting the same results by

giving those countries each a billion pounds of our surplus beef.

What does a country need with atomic secrets when its people aren't getting enough to eat? Give em some beef to eat and they might figure out atomic energy on their own. Might even figure out a better way to grow crops than with a walking plow.

Of course I understand all the Middle East countries have signed agreements not to use their atomic energy for anything except peaceful purposes, but with paper as high as it is these days it could be even truer than ever that agreements sometimes aren't worth what they're written on.

Cattlemen ought to learn that when you're in trouble you don't wring your hands, you wring Congress's.

Yours faithfully,
J. A.

Mrs. O. C. Estes of Abilene is visiting in the home of Mr. and Mrs. A. F. Haught.

Eternal Vigil...

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

Salt air, the beating of heavy waves, and rains... these are just a few of the elements that a ship must face constantly. With all of these things, it is little wonder that the crew must be alert, looking for rust and other damage. New paint to protect the ship must be applied regularly.

An individual faces many things in this world, that would rust and corrupt his life, therefore it is good to begin each week with a renewing of spirit, that can be obtained only through worship in the Lord's house.

Services Held Sunday for W. E. Quinney

William Eli Quinney, 73, of McCaulley died at 7:30 a.m. Friday in Hamlin Memorial Hospital. Services were held at 2:30 p.m. Sunday in the Assembly of God Church in Stockdale.

Mr. Quinney was born Nov. 22, 1900, in Wilson County. He married Nettie May Rogers Nov. 28, 1926, in Hamlin. Burial was in the Still Branch Cemetery under the direction of McCoy Funeral Home of Hamlin.

Survivors are his wife; six sons, J. O. of Abilene, Jessie and Ira, both of Alice, Tommy of Big Lake, Roy of Navasota, Ernest of Delight, Ark.; five daughters, Mrs. Hazel Short of Pleasant, Mrs. D. L. Jones of Brownfield, Mrs. Douglas Jerrell of Delight, Ark., Mrs. Max McElroy of Plains, Mrs. Estell Martin of Tye; four brothers, Jim of Abilene, M. K. and Steve, both of Stockdale and Henry of Nixon; six sisters, Mrs. Susie Shelton of Clyde, Mrs. Nora Wells of Anderson, Mrs. J. O. Lewis of Hamlin, Mrs. Bill Matchett of Hamlin, Mrs. Hattie Gimble of Stockdale, and Mrs. Viola Shaver of Stockdale; 33 grandchildren; and nine great-grandchildren.

Susan Mueller On Honor List

Susan L. Mueller was named to the President's List at Western Texas College in Snyder for the 1974 spring semester. She is the daughter of Mrs. LaFoy Patterson and the late Mr. Patterson. Nineteen students were named to the list which is composed of students who make no grade lower than A in at least 15 semester hours of college work excluding physical education.

Day Care Center Now Can Handle Drop-Ins

Two new employees have been added to the staff of personnel at the Hamlin Child Day Care Center, according to Mrs. L. C. Bonds, secretary of the board of directors for the center.

Hired were Mrs. Bill (Sue) Hudgins as assistant director and Tommie Ann Mayes, a summer employee under the Manpower program.

With the increase in personnel the center is set up for more children and will also be able to handle children on a drop-in basis, according to the director, Mrs. Bobby Crowley.

Other employees are Mrs. Mike Brown and Bobby Burleson.

The center can handle quite a few more children, Mrs. Crowley said. Anyone needing information about the placing children at the center should call Mrs. Crowley at 576-3566.

The center is planned for up to 35 children. At present seven are enrolled on a regular basis, four have places reserved when their mothers become employed and six more have reserved spots for this fall.

All children from birth to seven years are eligible to use the center's services. Cost is \$17.50 for each child. Arrangements are made for welfare and potential welfare recipients for 70 percent of the cost.

NEWS FROM

McCAULLEY

By MRS. FRED KEMP

Avis and Roberta Jeffrey will be flying to Portland, Ore. to spend their vacation with their son, Jimmy and family this weekend.

Jeffrey Green celebrated his third birthday with a party Saturday.

Mr. and Mrs. Donnie Potts and daughter visited in the home of his mother Mrs. Vada Potts this week-end. Donnie lives in Denver, Colorado.

Max Kemp spent several days last week in Abernathy with the Jim Taylors and attended the Coaches All American Football Game in Lubbock Saturday night.

Philip Cleveland is working in Abilene this summer for a packing house.

Mr. and Mrs. Pete Forbes were in Dallas last week visiting Mrs. Forbes' mother and sister.

Mrs. Edna Thompson taught a 4-H Sewing class in

the Home Economics Building. Carla Young and Arlene Coleman made dresses and will model them next week in the Dress Revue in Rotan. Sheila Jeffrey will model a pant suit she made in the Dress Revue.

The Housewarming for Albert and Geneva Maberry was well attended. The evening was climaxed with a song festival.

The Colwell sisters—Mrs. Beatrice Kemp, Mrs. Ella Scott, Hamlin, Mrs. Velma Haag and Minnie Ward of Midland—met for their annual reunion in the home of Mr. and Mrs. Frank Kemp Saturday. Many of their children, friends, and relatives helped with the celebration.

Out-of-towners were, Mrs. Sidney Harwood and Byron Bowman of San Angelo; Mrs. Ruth Crance of Lubbock; Mr. and Mrs. Scott Lee of Pon-

Agent Gives Tips to Gardeners On Moisture

Hot, dry summer weather is here and that means following certain practices to "stretch" the moisture available for your lawn and garden.

"Wise use of available moisture helps keep your lawn and garden plants growing and healthy while at the same time reducing the amount of irrigation water required," points out Kirby Clayton, Jones County Extension agent.

To start with, Clayton suggests a good mulch at least two inches deep around flowers, shrubs and other

plants. This reduces evaporation loss from the soil surface, lowers the soil temperature, reduces weed growth and cuts down on soil cultivation. Shredded pine bark, pine straw wood chips, chopped wheat or oat straw or other organic matter is good for mulching.

When watering, Clayton recommends soaking the soil to a depth of 6 to 10 inches. Of course where the soil surface is sloping, watering should be reduced to avoid excessive runoff.

"Deep watering encourages deep root penetration and provides a greater reservoir of moisture for plants. This enables plants to withstand dry weather better than when waterings are light and frequent. After a thorough soaking of the soil, watering can be delayed until plants begin to wilt."

Clayton advises applying fertilizer, insecticides or fungicides to plants only when there is moisture in the soil. Severe foliage burn can occur if these materials are applied when plants are under water stress conditions. Fertilize lawns when needed since a well-fertilized

Texas Third In Vegetable Production

AUSTIN—Texas was first in the nation last year in harvested acreage of cabbage, spinach and watermelons, Agriculture Commissioner John C. White has announced.

The state ranked in the top five in cantaloups, carrots, green peppers and onions and was third nationwide in total production of fresh market vegetables.

These and other facts are contained in a new Texas Department of Agriculture publication, 1973 Texas Vegetable Statistics.

Statistics were compiled by the Texas Crop and Livestock Reporting Service. They contain a detailed breakdown of 16 vegetable crops grown for fresh marketing and processing in Texas. Estimates are also made for Irish and sweet potatoes, beets for canning and snap beans for processing.

With maps, charts and graphs, the booklet breaks down vegetable production into eight major growing areas, planting and harvesting dates, principal counties, areas, acreage, yield, cash value survey methods and other information pertinent to the state's vegetable industry.

According to White, commercial vegetable production is centered in 13 principal areas which include 105 counties. Of these, three counties grow more than 10,000 acres of vegetables a year—Hidalgo, Zavala and Frio.

Anyone interested in a copy may write to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.

lawn will use water more efficiently and will require less water to keep it alive.

Raising the cutting height of your lawnmower one-fourth to one-half inch will also reduce the water needs of your lawn.

"Do your yard work early in the morning or late in the afternoon, suggests Clayton. You will enjoy it more and your plants will benefit."

Farmers Will Need Good Records for Farm Census

Farmers and ranchers, get ready for the 1974 Census of Agriculture! Keep good records of your farming operations this year! This is the request of the Bureau of the Census, the Federal agency that will conduct the 20th nationwide Census of Agriculture during the first part of 1975. The Bureau is part of the U.S. Department of Commerce's Social and Economic Statistics Administration.

Farmers will receive their report forms by mail early in January. They should fill them out and mail them back promptly. Having accurate and detailed records will make it easy for farmers to do this. Questions will be much like those in the last previous agriculture census which covered farming and ranching during 1969.

Questions will ask for acreage of cropland harvested; quantity and market value of major crops produced; acres irrigated and means of irrigation; pesticides, lime and other chemicals; acreage fertilized by kind of fertilizer (dry,

liquid, gas).

Questions on livestock and poultry will cover the number of each kind on the farm as well as the number sold and the sales value. Quantities and sales value of their products will be sought.

Details will be requested about farm products produced or marketed under contract. A few questions will be included about hired and contract labor, the number of workers and cash wages paid; also about any injuries to workers.

Further expenditure questions will cover amounts spent for feed, fertilizer, pesticides, lime, gasoline and other farm fuels, machine hire, and livestock and poultry purchases.

There will be questions about the various types and uses of land, such as cropland not harvested, other pasture and woodland, and about the value of land and buildings on the farm.

Operators will be asked about farm related income such as recreational services, customwork provided other farmers, or payments for participation in Government farm programs.

Two types of report forms are being prepared: one for farms with sales of \$2500 or more, and another less detailed form for places with sales of less than \$2500. No matter which form a farmer receives, he need answer only those questions that apply to his operation. He should skip questions that apply only to other types of agricultural operations.

By Federal law, every report is confidential. It may be seen only by sworn Census employees and may be used only for statistical purposes. The mail method reinforces confidentiality. It also allows

the farmer to complete the report at his convenience from his records.

HELLO!!!

I am William Jackson Jr., owner of Jackson's Body Shop in Anson, with a message to Money Savers. This hot, dry weather is the ideal time to have that 2 to 5 year old car repainted and the dents taken out.

And here at Jackson's Body Shop I've put on two more paint and body men and this doubles our capacity to get your work in, get to it and get it out. We also have two telephones, so as not to keep you waiting.

What with all the confusion and frustration in the world, I didn't believe you would hold it against me if I tried to be more efficient.

NEWS FROM OLD GLORY

Crops are looking pretty good in our area. All we need now is a good soaking rain and things will be looking up around O. G.

Folks interested in Old Glory will need to be watching some of the daily newspapers around July 4th. A reporter with United Press International has been gathering information to run a feature article around that date.

The James Martin family of the Pumphrey Ranch near Old Glory will be participating in the Albany Fandangle to be held on June 20, 21, and 22, and then again on June 27, 28, and 29.

Mrs. Martin and Lanham will be singing. Wesley will portray a Ft. Griffin character as a cavalryman. Mr. Martin and David will also participate in the show. On Monday, June 24, Mrs. Martin appeared on the Natalie Powers show on T.V. Channel 9 - Abilene.

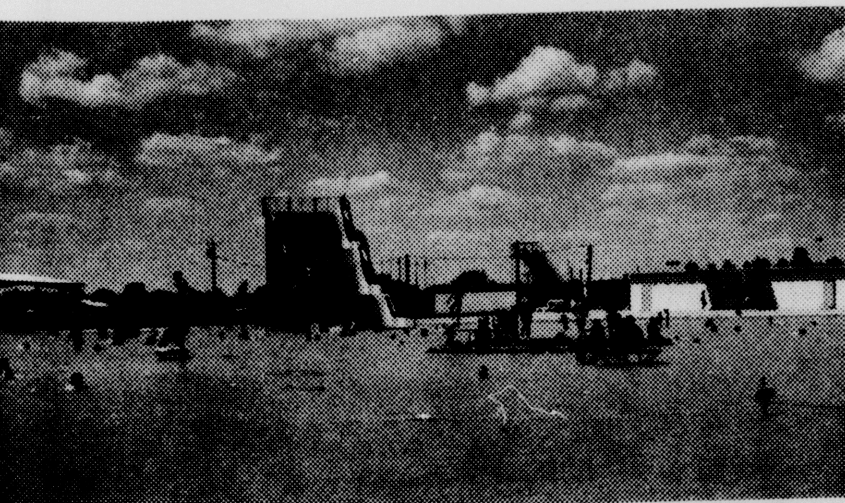

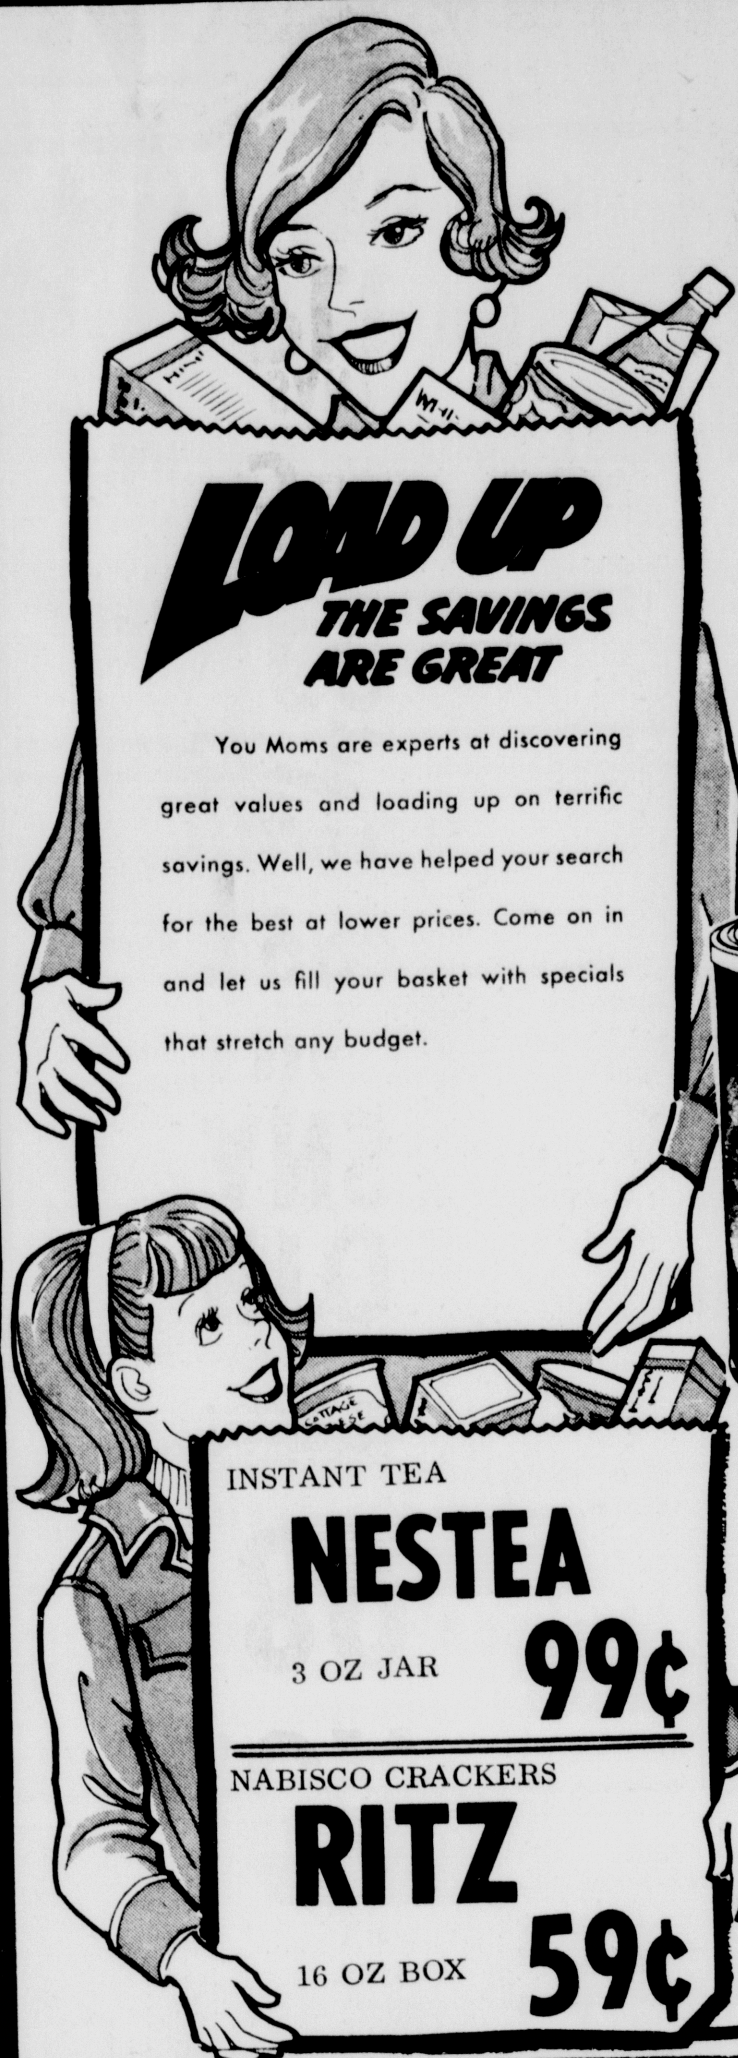

"I have promises to keep."

Power lines of the rural electric cooperative are often lonely ones because, in Texas, they serve an average of only three meters per mile of line. Now, inflation, fuel shortages and rising costs make higher electric rates inevitable.

But the countless uses for electricity in remote rural areas are built on the promise of dependable power at its lowest possible price. Keeping that promise is a tradition with the member-owned rural electric cooperatives.
